

GLEIM HIGHLIGHTS THE AVIATION MAINTENANCE TECHNICIANS MODEL CODE OF CONDUCT

August 4, 2011 - Gleim Publications, Inc. has highlighted the *Aviation Maintenance Technicians Model Code of Conduct* in its Inspection Authorization Renewal Course (IARC). "Gleim strongly believes in individual and organizational ethics. We appreciate all iterations of the Model Codes of Conduct, and we are proud to reference the AMT Model Code of Conduct. We encourage all AMTs and IAs to take advantage of this great resource," said Eric Crump, Gleim's Aviation Editor, and Part 141 Chief Instructor. Gleim Publications is at www.gleim.com . The Aviation Maintenance Technicians Model Code of Conduct is available at www.secureav.com/AMTMCC-Listings-Page.html .
