

STAN ROSE JOINS PERMANENT EDITORIAL BOARD

February **2016**—Stan Rose has joined the Permanent Editorial Board (PEB) of the *Aviators Model Code of Conduct initiative*. Mr. Rose has been the Director of Safety for a major industry NGO since 2010. He has been involved in the helicopter industry for more than 40 years and has served in numerous and varied positions. He has been a pilot, a Program Director for Air Medical operations, and a business development specialist. He has also worked on several overseas projects in both maintenance and operations roles.

Stan began his career as a U.S. Army pilot in Vietnam, and later attended the Maintenance Officer/Test Pilot Course with the U.S. Army Reserves before moving on to the civil helicopter industry. He has flown a variety of helicopter missions including Airborne Law Enforcement, Offshore oil production and Air Medicine.

Rose has been active in diverse public service assignments that include voluntary positions as Chairman of an EMS Council, the AAMS Board, a State Bioterrorism Preparedness Committee, and the FAA Part 135 Rule Making Committee. The experience that Rose has accumulated in maintenance, operations, management, and business development will be leveraged greatly in his role on the Permanent Editorial Board.

The PEB provides editorial oversight and stewardship of the *Aviators Model Code of Conduct* (AMCC) suite of codes, including the *Aviation Maintenance Technicians Model Code of Conduct*, *Glider Aviators Model Code of Conduct*, *Helicopter Pilots Model Code of Conduct*, *Light Sport Aviators Model Code of Conduct*, *Seaplane Pilots Model Code of Conduct*, *Student Pilots Model Code of Conduct*, and supporting materials (collectively, “the Codes”). The Codes provide tools to advance airmanship, flight safety, professionalism, and the vibrancy of the aviation community. The Codes are “living documents,” intended to be updated periodically to reflect changes in aviation practices and the aviation environment.

The Codes are available to the aviation community as a free public service at <www.secureav.com>. The Permanent Editorial Board is presented at <www.secureav.com/PEB.pdf>. For further information about the AMCC initiative, contact <PEB@secureav.com>.
