

# The Permanent Editorial Board

The Permanent Editorial Board (PEB) provides editorial oversight and stewardship of the *Aviators Code Initiative* (ACI), implementation of the family of codes of conduct, and supporting materials, available at [www.secureav.com](http://www.secureav.com).

The ACI materials are living documents intended to be updated periodically to reflect changes in aviation practices and the aviation environment. A formal editorial body oversees the ACI and provides balance to ongoing revisions and new content. The following group of experts from the aviation community volunteers to serve as the PEB.

	<p><b><u>Don Arendt, PhD, CFI, ATP</u></b>  <i>Sr. Technical Advisor for Safety Mgt.,                  Flight Standards Service, FAA</i></p>	<p>Dr. Arendt specializes in aviation risk management, human factors, and systems engineering. He develops policy and guidance, training requirements and implementation processes for SMS for aviation service providers. He is a Gold Seal Flight Instructor.</p>
