

The Permanent Editorial Board

The Permanent Editorial Board (PEB) provides editorial oversight and stewardship of the Aviators Code Initiative (ACI) and implementation of the family of codes of conduct and supporting materials, available at www.secureav.com.

The ACI materials are living documents intended to be updated periodically to reflect changes in aviation practices and the aviation environment. A formal editorial body oversees the ACI and provides balance to ongoing revisions and new content. The following group of experts from the aviation community volunteer to serve as the PEB.
